Dear Sir or Madam:

Please be advised that on January 30, 2006, a small entity assertion was filed in this patent. The assertion of small entity status in this application and the payment of all fees as a small entity were made in good faith. This application and the invention disclosed within have been sold to Herman Miller, Inc., which is a large entity subsequent to prior payments made as a small entity.

Serial No.: 10/560,507  
Our Case No. 3591/1592

Hereinafter small entity status is no longer appropriate, and the Director should charge Herman Miller, Inc. fees as a large entity.

The Director is authorized to charge any fee deficiency associated with the filing of this Notification to Deposit Account No. 23-1925, as authorized in the Transmittal accompanying this Statement. A duplicate copy of this notification is attached.

Respectfully submitted,

Date: March 20, 2008
